**INSTALLATION INSTRUCTIONS**

**SAFETY INSTRUCTIONS**

**Note:** This instruction outlines the recommended installation procedure.

1. Turn off and lock off the power supplying the load center before working inside.
2. Orient handle block in either position "A" or position "B" (depending upon whether handle is to be blocked in the "OFF" or "ON" position).
3. Slide handle block down over the handle until tab nests in handle pivot recess of breaker (Fig.1).
4. Tighten set screw.

**PRINT COLOR:** BLACK  
**MATERIAL:** PER SPEC. 4080180
